LUMEN CHRISTI HIGH SCHOOL

Hiring!

Lumen Christi has an immediate need for a long term junior high math/science substitute for the remainder of this

academic year (approx. 14 weeks). With good performance and school needs, this long-term sub would most likely extend into a full time position for 2024-2025 school year. This individual would be teaching one section of Pre-Algebra; two sections of Life Science 7, and one section of Survey of Technology.

Individuals with classroom management are preferred; teaching certification is a bonus but not required. Salary is DOE. Please contact Principal Brian Ross at 907-245-9231 for more information.
